Setting Up Alerts

VantageBank

**1** Click "Settings"
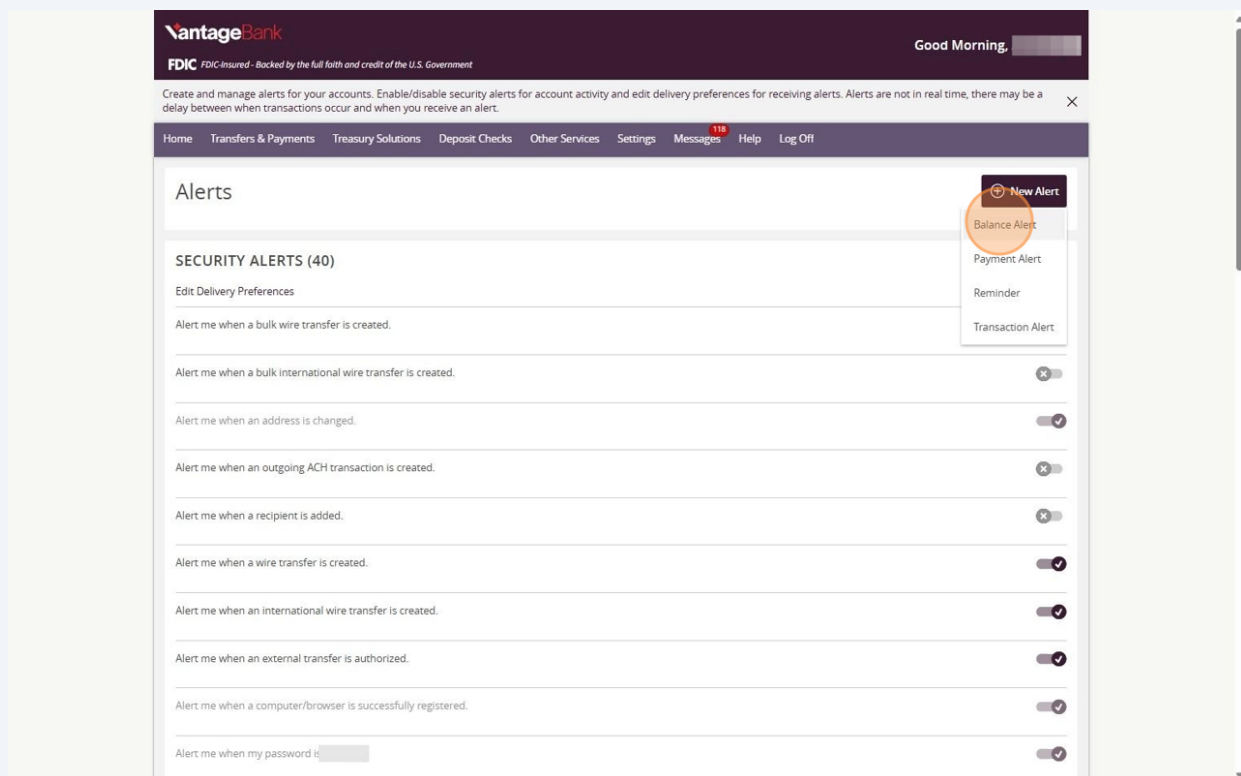

2   Click "Alert Settings"
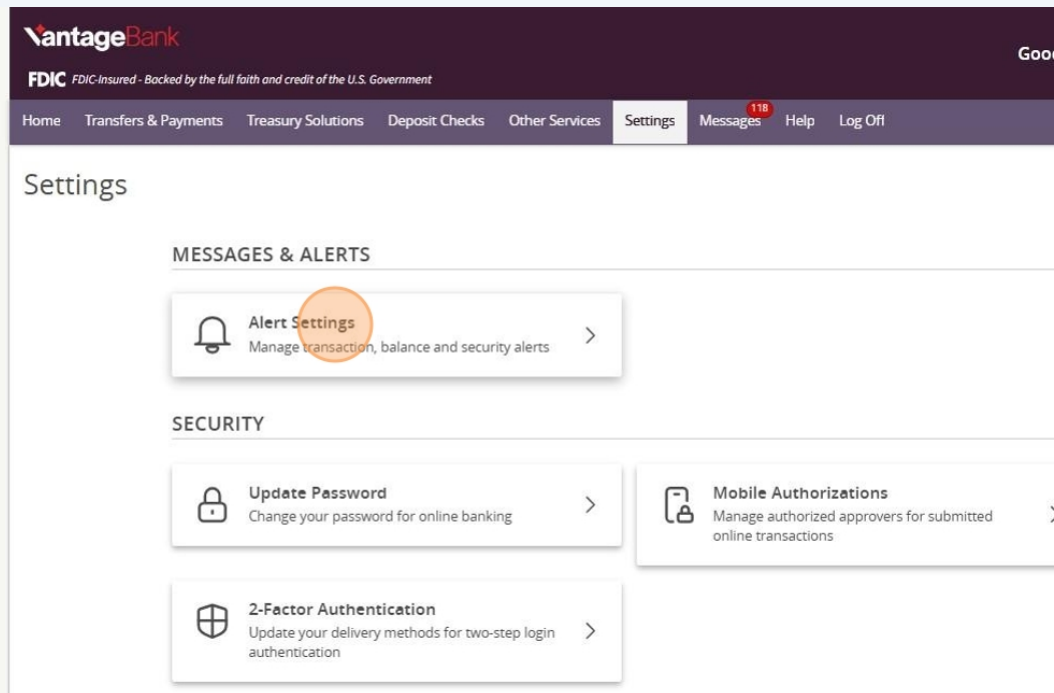

3   A list of predetermined alerts will appear, allowing you to enable or disable them by selecting the corresponding check mark.

**4** You also have the option to create a "New Alert".

5 Select your preferred type of alert from the drop-down menu.

6   Fill out the requested information for the alert, ensuring you include the preferred delivery method (email, phone call, SMS text message) and agree to the terms.
